

We had 37 members present to start 2006 and kick off our 16<sup>th</sup> year as a GWRRA chapter.

We were happy to welcome back one of our former members, Mr. Gary Brown, who has been absent for quite some time. Glad to see you back Gary and hope you can join us as often as you can. We also welcomed some friends from VA-F, George Tincher, Randy Provost, and David & Jackie Shirley, you folks are welcome with our little group anytime you want to come.

Ken & Patty Herbaugh from the Berkeley County Special Olympics also joined us and we presented them with the second of two checks for the Special Olympics bringing WV-A's total contribution to \$300.00. The Special Olympics events are coming up in May and it would be nice to have chapter members come out and support the Special Olympians as they compete in their Track and Field events, after all we are one of their sponsors.

We need items and articles for our newsletter. If you have something you would like to put in the newsletter please make sure that Bob Robertson gets it by the 20<sup>th</sup> of the month. To the women of WV-A, if you have a favorite recipe how about putting it in the newsletter so we can all enjoy it. I know for a fact that WV-A has some super cooks that make some out of sight food. I also know that some of the men are good cooks and you can put something in the newsletter also.
