

Well gang riding season is almost here again, I hope you all have your “Wings” ready to go. Betty and I actually had the 3 wheeler out this past weekend the weather was so nice. Sure hope we get more riding time this year than in the past.

We welcomed some district staff members to this months meeting, Dick Crawford the WVDD and Adam and Chante Carpenter the WVDE. Adam presented the chapters new Rider Educators, Paul and Lisa Turner their patches. We also had our friends from VA-F in Winchester with us.

Our Mall Show is coming up on April 8 so get your bikes shined and ready to go. We will be giving first, second & third place prizes again this year after the public judges the bikes. We will be doing our dinner walk at about 5:00pm.

The chapter “Yard Sale” is May 27 & 28 at Mike & Pam Dursts home on Middle Way Pike in Middleway. Bring your items you want to donate to their home on Friday the 26th or call me or Martin and we will arrange to pick them up.

Just a reminder about the Fun Day coming up on June 4 (flyers available soon) we will need games prizes, auction items and door prizes donated to the chapter.

In case you all are not aware of it we have a new motorcycle accessory dealer in Martinsburg. It is C & A Bike Accessories and their address is 1516 Winchester Avenue, Martinsburg, WV. 25401. The owners names are Chris & Amy Fiorilli and they both are super nice people. Chris rides a 1994 GL1500 so he kind of favors Goldwing accessories but he also has a lot of things for the other big touring bikes. They are going to join GWRRA and will, I hope, become members of WV-A. Stop in and say hello and introduce yourself as GWRRA and WV-A members. They are located between K&B music and Duncan Brothers Tires and across the street from the Hotdog Hut. Lets do all we can to keep them around because we need something like this in Martinsburg.
